

On September 14th, help us add the final touches to our master recipe as we provide food to the hungry with

Empty Bowls

For a \$15 donation you can enjoy a nice takeout lunch of soup, bread and dessert and receive a beautiful handmade ceramic bowl that is yours to keep! All money raised will help provide food to families in our community who otherwise would face empty bowls at mealtime.

The event is providing lunch for takeout between 11:00-1:00 at St. James United Methodist Church. For more information, or to order online, visit www.emptybowlsbg.com
